A Mad TEA PARTY

DON'T BE LATE

“Why, sometimes I've believed as many
as six impossible things before breakfast.”

At our Beach House, we were enchanted by the beloved children's classic Alice in Wonderland and thought it was the perfect inspiration for our signature Afternoon Tea offering.

Lewis Carroll's timeless story of a little girl following a white rabbit into a strange land remains a part of popular culture and many of its themes and life lessons resonated with us. Knowing that many of our guests adore the story as much as we do, we wanted to share the beauty and eccentricity of the Mad Hatter's Tea Party.

And Voila – our signature 'Mad Tea Party' was born. Every Saturday, we welcome you to revel in exquisite tea blends from the experts at Tea Time in Cayman and indulge in Afternoon Tea classics at Anchor & Den.
